

Roman Plaud

✉ plaud.roman@gmail.com  [RomanPlaud](#)  romanplaud.github.io ☎ +33642565548
in [roman-plaud](#) Citizenship: French, Canadian

RESEARCH INTERESTS

My research focuses on structured predictions, proper scoring rules, calibration, and Bayes-optimal decision-making.

EDUCATION

Télécom Paris (IP Paris) & Onepoint

PhD in Machine Learning

Palaiseau, France

Sept. 2024 – Present

Mentors: Professor Thomas Bonald, Matthieu Labeau and Antoine Saillenfest

ENS Paris Saclay

M.Sc. in Mathematics, Vision, and Machine Learning (MVA)

Gif-sur-Yvette, France

Sept 2022 – June 2023

Ecole des Ponts

Engineering Degree

Champs-sur-Marne, France

Sept 2019 – June 2023

PUBLICATIONS

Tailoring Strictly Proper Scoring Rules for Downstream Tasks: An Application to Causal Inference

Roman Plaud*, Alexandre Perez-lebel*, Antoine Saillenfest, Thomas Bonald, Marine Le Morvan, Gaël Varoquaux, Matthieu Labeau

ICML 2026

To Each Metric Its Decoding: Post-Hoc Optimal Decision Rules of Probabilistic Hierarchical Classifiers

Roman Plaud, Alexandre Perez-lebel, Matthieu Labeau, Antoine Saillenfest, Thomas Bonald

ICML 2025

Ignore the KL Penalty! Boosting Exploration on Critical Tokens to Enhance RL Fine-Tuning

Jean Vassoyan, Nathanael Beau, Roman Plaud

NAACL 2025

Revisiting Hierarchical Text Classification: Inference and Metric

Roman Plaud, Matthieu Labeau, Antoine Saillenfest, Thomas Bonald

CoNLL 2024

EXPERIENCE

Onepoint Research Scientist (Internship and Research Scientist)	Paris, France <i>June 2024 – Aug 2024</i>
Imagine Lab - Ecole des Ponts Research Internship	Champs-sur-Marne, France <i>Jan 2022 – May 2022</i>
Euronext Research Internship	Paris, France <i>Jun 2021 – Dec 2021</i>

TEACHING EXPERIENCE

Ecole Polytechnique Teaching Assistant - Natural Language Processing	Palaiseau, France <i>Fall 2025</i>
Centrale-Supélec Teaching Assistant - Natural Language Processing	Gif-sur-Yvette, France <i>Spring 2025</i>
Ecole Polytechnique Teaching Assistant - Natural Language Processing	Palaiseau, France <i>Fall 2024</i>

SERVICE AND OUTREACH

Conference Reviewer: NeurIPS, ICML

SKILLS

</> **Programming:** Proficient in Python. Familiar with C++.

</> **Languages:** French (Native), English (Fluent), Spanish (Advanced).
